

Service Agreement

The following document is an agreement between Ace St. Louis and the property owner for gutter cleaning. Payment is due within 30 days of each cleaning throughout the year. After 45 days a 10% late fee will apply.

Our Recommendations: A minimum of 2 gutter cleanings a year are needed to keep your gutters working at their best. Most often these two cleanings are done in the SPRING AND LATE FALL. If you have problems with your gutters clogging, we offer (and suggest) the option of a THIRD cleaning in the LATE SUMMER. Summer storms and acorns cause many problems for gutters and many of our customers have found this extra cleaning especially helpful.

- I hereby request Ace St. Louis to perform a *LATE SPRING* gutter cleaning
Note: Late Spring Gutter Cleanings are scheduled between May 5 and June 15
- I hereby request Ace St. Louis to perform a *LATE SUMMER* gutter cleaning
Note: Late Summer Gutter Cleanings are scheduled between Sept 10 and Oct 10
- I hereby request Ace St. Louis to perform a *LATE FALL* gutter cleaning
Note: Late Fall Gutter Cleanings are scheduled between Nov 20 and Jan 15

- The timing of each season's gutter cleaning is determined by the trees' progress of dropping leaves and seeds.
- Please specify in the service agreement if you would like us to contact you a day in advance for each cleaning
- This agreement may be terminated at any time by either party **upon mailing a written notice of termination**

- Service shall be provided for the property located at:
(please print):

Name: _____

Address: _____

City, Zip: _____

Phone: (____) _____ - _____
